If the license is provided as a temporary Demonstration License, CarteNav grants to the Licensee the right to use the Software under the terms and conditions of this Agreement for a period of thirty (30) days, unless otherwise agreed in writing, after which all rights and obligations of the parties set out herein (other than confidentiality obligations) shall automatically expire.
- 2.2 Licensee shall be entitled to use only one (1) copy of the Software for each license fee paid, and each copy can be installed and used on one (1) device only. A copy or adaptation may be used if required as an essential step in the authorized use of the Software, provided that use of such backup copy is discontinued when the original or replacement product becomes operable. All copies remain the property of CarteNav. The Licensee shall maintain a record of the location of all copies of Software and shall make those records available to CarteNav upon request.

The Licensee shall not knowingly undertake any action that will interfere with or diminish CarteNav's right, title or interest in its trademarks, trade names or its rights under patent, trademark or copyright law.

3. TITLE AND PROPRIETARY RIGHTS

- 3.1 The Software and Documentation are licensed to the Licensee and not sold. The Licensee agrees that all rights, title and interests, including copyrights, patent and trade secret rights in and to the Software, Source Code, Documentation, Modifications and all related materials, and all media on which they are recorded or printed, are owned exclusively by CarteNav, and the Licensee is not granted and does not acquire any rights therein other than the license rights granted in Article 2.0. Source Code shall not be provided to Licensee under any circumstances.
- 3.2 The Licensee agrees that any Modifications that CarteNav conceives or makes during or subsequent to this Agreement, including those based partly or wholly on the feedback of the Licensee or others, is the exclusive property of CarteNav, and CarteNav will have exclusive rights, title and interests in all such Modifications and all related intellectual property rights.

4. CONFIDENTIALITY OBLIGATIONS

- 4.1 The Licensee shall take appropriate action to protect and keep strictly confidential the Confidential Information contained with the Software and Documentation and ensure that any person permitted access to Software and Documentation does not disclose it or use it except as permitted by this Agreement. 5. AUDIT RIGHTS

- 5.1 Upon request by CarteNav, with reasonable advance notice and conducted in such a manner as to not unduly interfere with Licensee's operations, CarteNav reserves the right to audit Licensee's use of the Software to ensure Licensee is in compliance with its usage rights under this Agreement.

6. NOT A SOURCE OF NAVIGATION

- 6.1 THE LICENSED SOFTWARE IS NOT TO BE USED AS A SOURCE OF NAVIGATION. It is a situational awareness tool and the map and terrain data

displayed is NOT for the purposes of navigation or terrain avoidance. At all times, safe navigation practices should be performed by qualified personnel on certified equipment designed for navigation.

7. LIMITED WARRANTIES

- 7.1 CarteNav warrants to the Licensee during the Warranty Period that the Software conforms in all material respects to **[the specifications set out in the Quote/Proposal] or [written specifications for the Software applicable at the time the license was acquired, which the Licensee hereby acknowledges receipt thereof]**. CarteNav shall use all reasonable efforts to rectify such non-conformities that arise throughout the Warranty Period or alternatively at CarteNav's option, shall re-supply such Software.
- 7.2 The warranties set out in section 7.1 shall be void if Licensee fails to use or maintain the Software in accordance with CarteNav's specifications or instructions, or if the Software or any part thereof has been subject to any unauthorized modifications, improper operation, user negligence, service by unauthorized person, company or association, use with any unauthorized attachment, device or feature, accident, neglect, misuse, tampering, acts of God, or any event other than ordinary use.
- 7.3 In the event that any suit, action, or other proceeding is asserted or brought against the Licensee alleging a violation of any intellectual property rights of a third-party based upon the use of the Software, the Licensee will promptly notify CarteNav and provide it with a copy of all relevant documentation. In the event the Software is held by a court, administrative body or arbitration panel of competent jurisdiction to constitute an infringement or its use is enjoined, CarteNav will, at its option, either: (i) procure for the Licensee the right to continue use of the Software; (ii) provide a modification to the Software so that its use becomes non-infringing; or (iii) replace the Software with software which is substantially similar and continues to meet the functionality and performance of the Software as set out in the Software documentation and specifications.
- 7.4 Except with respect to the warranties set out in Article 7, the Software, and Documentation are provided "as is" without warranty of any kind, whether express or implied, including any implied warranties of merchantability or fitness for a particular purpose. Licensee shall be solely responsible for the selection, use, efficiency and suitability of the Software and any hardware on which it will run, and CarteNav will have no liability therefor.

8. ASSIGNMENT, SOFTWARE TRANSFERS AND SUBLICENSES

- 8.1 Subject to section 8.2 below, Licensee shall not sell any assets which contain copies of the Software or the Documentation, or release or transfer the Software or Documentation to any Subsequent User, unless prior to such action (a) CarteNav consents to the sale or transfer and (b) the Subsequent User expressly takes assignment of and agrees to comply with, the terms and conditions of this Agreement. The Licensee agrees to provide CarteNav with full contact information for the Subsequent User and a copy of the express assignment agreement, in advance of the sale, release or transfer.
- 8.2 Notwithstanding section 8.1, a Licensee who has been expressly designated by CarteNav as an "Intermediary" in the Quote/Proposal has the right to sublicense or transfer the Software and Documentation to a Subsequent User, or sell assets containing copies of the Software and Documentation to a Subsequent User, without first complying with the requirements of section 8.1, but in all such cases, the Licensee accepts liability for the acts and omissions of all Subsequent Users which are in breach of this Agreement, and the Licensee shall be liable to CarteNav accordingly, as if the Licensee were the party in breach.
- 8.3 Notwithstanding the above, in no circumstances shall Licensee be permitted to release or transfer the Software or Documentation, or sell assets with embedded Software or Documentation, to a competitor of CarteNav ("competitors" to be determined by CarteNav in its sole discretion). If a sale of assets with embedded Software or Documentation to a competitor is contemplated, the Software and Documentation shall be removed from the assets by Licensee prior to such sale.
- 8.4 In no event shall a Licensee have the right to assign, transfer or sublicense a Demonstration License to any other party.

9. TERMINATION

- 9.1 Upon termination of the EULA, or the Agreement as a whole, for whatever reason, Licensee shall immediately cease all use of the Software and Documentation and all portions thereof, and shall immediately destroy all copies of Software and Documentation in any form, and shall certify to CarteNav in writing that such destruction has been fully accomplished. A termination of the EULA, or the Agreement as a whole, does not negate any obligations, such as payment of fees, that arose prior to the termination.
